The Vatican Synod on Synodality 2023

You are no doubt aware of the Universal Synod being
called by Pope Francis in 2023. The following is a brief
summary of the synod's aims and timetable.

As Christians, we journey together in communion
with one another as the People of God. Our mission,
as the People of God, is to journey together with the
entire human family. These two perspectives enrich
one another and are helpful for our common
discernment towards deeper communion and more
fruitful mission.

The questions accompanying each of the ten themes
(which you can find out about by using one of the
links given below) can be used as a starting point for
reflection. You may choose to reflect on all ten
themes or, which may be more manageable, choose
five which most speak to you. You may additionally
wish to make general reflections on any of the
themes.

The fundamental question of the universal Synod
2023

A synodal Church, in announcing the Gospel,
"journeys together."

How is this "journeying together" happening today in
your local Church?

What steps does the Spirit invite us to take in order
to grow in our "journeying together"?
